Special Thank You to

Parents:

We would like to thank everyone who attended the Feb. 7th meeting on the Special Ed. Programs in South River. Your insights, comments and suggestions were greatly appreciated by the members of the Steering Committee. We thank you for sharing your experiences so that we may make a difference in the future.

every child is born with wings...

it's with the support of special people they soar

CARE Newsletter Available:

The National Stuttering Association recently launched CARE, which stands for Connections, Advocacy, Resources, and Education, a quarterly publication in which experts in childhood stuttering treatment offering professional advice and parents can share their experiences and feelings. This organizations sponsors workshops for parents and children, provides information about stuttering, and helps parents locate clinicians who specialize in stuttering treatment. For more info. call NSA at 1-(800) 364-1677 or visit their Web site at:

<http://www.nsa.stutter.org>.

Drug Interaction Guide:

The Council on Family Health is offering a free consumer guide: Drug Interactions: What You should Know. This guide contains information on prescription and non-prescription drug interactions. You can get a free copy by visiting the CFH web site: <http://www.cfhinfo.org>.

SEPTA Announces

Scholarship :

The Special Education PTA of South River is offering a scholarship of \$250. This scholarship is open to graduating special education students of the South River School District who are planning to attend:

- * trade / technical school
- * professional or business school or
- * college.

Deadline to return the scholarship application is

MAY 15, 2001

We encourage everyone to apply and the scholarship winner will be notified by mail in the beginning of June.

More information on this scholarship will be listed in our April newsletter or listed on our web site.

Education Publications Center

Offers Free IEP Guide:

The Ed. Publications Center has a free "Guide to the Individualized Education Program". To get your free copy call Ed. Publications at 1-800- 433-7827
